

Dear PCJSL Soccer Clubs, Coaches, Parents and Players,

The Winter/Spring 2017 soccer season is just around the corner and we are excited to continue moving forward with changes to improve your soccer experience as we move into the second half of the 2016-17 season!

REGISTRATION IS CURRENTLY OPEN!

<https://www.gotsport.com/forms/app/?eventid=48870>

Please see the important dates below, listed in two sections based on the age of the players involved. It is extremely important that we adhere to this schedule in order to allow appropriate time for the scheduling process, so please understand that we won't be able to make any exceptions to these dates.

For both flighting and scheduling feedback, we are developing a Google Form that must be filled out completely and submitted before we can consider your input. Emails, text messages and voice mails will not be utilized to make adjustments to the flighting or the draft schedule. Please help us do a better job giving you what you want by using these forms to provide us with the information we need. Links to both forms will be provided in future emails regarding flighting and the draft schedule, and will also be posted at PCJSL.COM.

All U9 and U10 teams should note that you will be placed in divisions for the winter/spring based on the six games you played in Fall 2016, but all six of your winter/spring games will be scheduled at the beginning of the season and we will not be using the Play Block format that created two sets of three games each.
