Pima County Junior Soccer League

Letter from the President

Happy New Year to all our PCJSL Soccer Families!

As we begin the New Year, we have much to look forward to here in our local soccer community.

From the very special "Tucson Legends of Soccer Night" at the New York Red Bulls v Portland Timbers MLS Preseason game at Kino on January 27, to the Ft. Lowell Shootout, to new and improved coaches and referee training and special clinics for coaches and players alike.

I encourage all of you to make it a regular habit to read our quarterly newsletter. I think you will find it well worth the read with a great deal of valuable information you would not get otherwise.

On Friday, January 27, FC Tucson will celebrate each of you – the people who bring the game of soccer to our youth. And, what a celebration it's going to be.

Since 2010, FC Tucson has strived to represent soccer in Southern Arizona at the highest level possible.

Now, it's time to honor the community that laid the groundwork for us.

Pima County Junior Soccer League is proud to partner with FC Tucson to present Tucson Legends of Soccer Night on January 27th at 6:30 p.m. as the New York Red Bulls and Portland Timbers kick off the 2017 Desert Friendlies.

We'll honor some of the biggest names in Tucson the last 40 years including players, coaches, and community leaders that helped shape the fabric of our soccer community today.

The fun will start before the game with our 2nd Get in the Game event! We're asking each club to set up a table and bring a coach to do drills and showcase what PCJSL is all about – loving the world's game.

Bring the family to honor over 25 of the biggest names in the Tucson soccer community, and be sure to use promo code: PCJSL to receive a special 20% discount on Fan 4 Packs and Single Game Ticket at fctucson.com.

Some honorees will include Real Salt Lake's Justen Glad and Ricardo Velazco, former Boston Breakers' player Analisa Marquez, founder of Tucson Soccer Academy and former Salpointe High School Boys Soccer Coach Wolfgang Weber, and PCJSL Referees' Commissioner Larry Luckett.

We encourage all of you to come out and recognize the efforts of those who have helped make Tucson and Southern Arizona the thriving soccer community that it is today.

Plan on setting up a registration table as PCJSL is considering a Spring League for young recreational players after Pima Cup. This will give you a chance to register and involve new players – and it will give our teams a chance to extend their season. That's something many of you have wanted.

Of course, we'll plan the details of the Spring season with you at the next PCJSL meeting, but it already appears that there is enough interest to go forward. Think about how you'd like it to run – how long, how teams can be made up (any player with a card?), etc. Be ready for the discussion, but first get ready to grow your Club at the 2nd Get in the Game Night.

MAKE SURE YOUR CLUB IS READY FOR GET IN THE GAME.

Thank you and best to you and your family in the New Year,
Ted Schmidt, PCJSL President

We got a red card. Now what?

The PCJSL Discipline and Appeals Committee under the leadership of the PCJSL Vice President (currently Detlef Lange,) handles adjudication of referee issued red cards in PCJSL games and appeals of those suspensions, as well as complaints against and between clubs, teams and coaches, financial bad standing issues, poaching complaints, and a myriad of other issues related to local soccer.

Once a red card is issued, the referee report of the incident as well as the player/coaching card is submitted to the committee. Once received the information is read and a decision is made as to the length of suspension based on the Standard Red Card Suspensions available for viewing on the AYSA website. If the coach wishes to submit any information of the incident before the committee rules, they may do so. (Typically via email) The information is posted on the PCJSL web site, under the D&R Section. A suspension fulfillment form must then be provided to the committee with the appropriate number of games signed off by the referee of the games that the individual is sitting out for. The card is then returned to the address provided, or by making arrangements to pick up the card from PCJSL.

Should the team officials disagree with the suspension, a formal appeal may be made. Although the rules in Phoenix for such an appeal are quite formal, we in PCJSL have always made the process a little more informal. The appealing individual needs to, either by letter or email, submit the appeal to the D&R Committee, explaining the basis of the appeal, a list of witnesses, up to 3, (written notarized statements are accepted). and a check or money order for \$50 (which is returned if the appeal is successful). A hearing is then set, and the appeal is heard by a committee of 3 individuals from the local soccer community with no direct ties to the individuals involved. After testimony, which may include the referee and witnesses to the event, the committee renders a decision, usually within 24 to 48 hours.

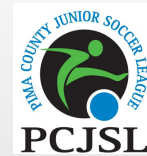

Should the individuals not be satisfied with the PCJSL Appeal Decision, a second appeal may be made to AYSA, Region 4, or US Youth Soccer. (one of the aforementioned only). Litigation through the courts is also an option.

Schedule Changes

Although our Scheduling Coordinator has tried to minimize the number of changes in the schedule once it is posted and "locked" in its final draft, occasional changes are necessary for a number of different reasons. If you or your opponent are the reason for the change, you are supposed to be getting in touch with each other to share information and agree on a future date. If the change is made for an administrative reason by PCJSL, the Scheduling Coordinator tries to communicate with the affected teams. Additionally, when any change is made in GotSoccer, an automatic email is supposed to be sent by GotSoccer, but we can't control when, how or even if that happens, so it remains important for all teams to have someone who checks the GotSoccer schedule on a regular basis by going to PCJSL.COM and clicking on "Current Schedule" (right side of screen under NAVIGATIONS).

PCJSL Director of Coaching Update

Continuing education and training is a vital component in the making of a good youth soccer coach. Regardless of the level of experience and wisdom held by any coach, we all can learn more and improve our game.

PCJSL prides itself in providing the best in coaches education both hands on and in person as well as through new state of the art programs available on line. There is a program and course for all coaches at all levels. All coaches can benefit and the new and improved online courses can be taken at your own pace when you have the time AND they are reasonably entertaining while crammed with great ideas that you will want to use.

I encourage you to check out what is available online here: <http://www.ussoccer.com/coaching-education/resources/us-soccer-player-development-initiatives-2016>

if you have any questions concerning coaching education, you can contact me, the PCJSL Director of Coaching at PCJSL.DOC@gmail.com.

Score Reporting

Our U11-19 teams and their fans get excited about watching the standings, but we can't keep them up-to-date if you don't report scores! ALL TEAMS (not just the home team or the winning team) are supposed to report scores as soon after the game as possible. You can do it with your phone (904-758-0875) or with a computer (<https://www.gotsport.com/events/scoring/>). The phone number and web address can always be found at <http://pcjssl.com/score-reporting/>, along with the Event ID, pin number and game number. Our pin number is 2424, but the Event ID changes each season. The Winter/Spring Event ID for games starting Jan 7, 2017 is **48870**.

Please help us keep things up-to-date!

Game Cancellations

We want to discourage changes in the schedule once it is finalized because it affects a long list of people including many who are not associated with either team involved in the cancelled game, but we also recognize that cancellations are going to happen. If a team needs to cancel one game during the season, you may do so, but be sure you understand the following:

Your club will be fined when you cancel a game. If the cancellation is more than a week away from the date of the game being cancelled the fine is \$50. If you cancel a match less than a week (Sunday – Friday) before the game, the fine will be \$100 AND you will pay for all referees who were assigned to the game. If you cancel less than 24 hours before the scheduled match (or simply fail to show up at a scheduled game) the fine is \$150, plus referee fees. See the posted fine table at <http://pcjssl.com/rules/>.

You MUST notify your opponent (if you need contact information email pcjssl.scheduler@gmail.com and your club president.

PCJSL Rules Update from the Referee Commissioner

Under-10 (U9/10) 7v7 Game Rules

PCJSL U9/10 games are 7v7, including a goalkeeper, playing on age appropriate fields. In U9/U10 games there is a “build out” line equidistant from the top of the penalty area and half way line. Some fields MAY NOT have this “build out” line marked so referees, coaches and players will need to improvise at times. The purpose of the build out line is to allow the team taking a goal kick (or any goalkeeper delivery) to play the ball out before the opposing team can influence play and advance forward of the build out line. All opponents must retreat to the build out line during goalkeeper deliveries, including goal kicks, regardless of who takes the goal kick. Teammates of the goalkeeper need not retreat to the line. If the team wants to put the ball into play before the opposition retreats to the build out line, they may do so at their own risk.

Additionally, goalkeepers in the U9/U10 game CAN'T punt the ball. They must throw the ball out when they control the ball with their hands. They are not allowed to “drop-kick” the ball and they can't place the ball on the ground and kick it.

Furthermore, no heading is allowed by players in U9/U10 games. If they deliberately head the ball, the referee stops play and awards an indirect free kick (IDFK) to the opposing team.

One other exception to the U9/10 game is where “offside” should be enforced. The offside is NOT enforced on the halfway line but rather on the build out line. Thus, the build out line is treated like the halfway line on a regular field. All other rules conform to the Laws Of The Game (LOTG).

Under-12 (U11/12) 9v9 Games

PCJSL U11/12 games are 9v9 including a goalkeeper, playing on age appropriate fields. There is NO build out line and the goal keeper may punt the ball; however, for the U11 game, players are not allowed to head the ball. If, during the U11 game, a player deliberately heads the ball the referee stops play and awards an IDFK to the opposing teams. All other rules conform to the LOTG.

Help Out With Our

Referee Shortage

We continue to be short referees and until more people take the time to attend a certification class, you may be asked to serve as a “club line” at our Saturday games. Club lines don't have to do anything except let the referee know when the ball goes out of bounds, so it's easy! In fact, even if you understand the offside rule, club lines are NOT ALLOWED to call offside because they aren't certified referees. If you are interested in getting certified, upcoming new referee certification classes (throughout the state of Arizona) are always listed at <http://www.azref.com/entrylevel/>.

Larry Lockett

PCJSL Referee Commissioner

Player Safety from the PCJSL Referee Commissioner

No player will be allowed to play in a game with an injury which, in the opinion of the referee, can be aggravated by playing or which constitutes a danger to others. No player wearing an orthopedic cast (hard cast) will be permitted to play. No player will be permitted to wear anything in a game that could cause or aggravate injury to either that player or any other player. Players must wear shin guards, completely covered by stockings and providing a reasonable degree of protection.

No jewelry will be allowed except for medical or religious jewelry, which must be taped down to help prevent injury. Earrings may not be worn, even if taped.

No youth player will be allowed to participate in more than two games per day.

Lightning – If lightning is within 10 miles, the referee will suspend the match and remove players from the field to an appropriate shelter for 30 minutes. If lightning is still within 10 miles after 30 minutes, the match will be terminated.

Blood or Bleeding – Players bleeding from a wound or with blood on their uniform must be removed from play. Bleeding must be stopped and the open wound must be covered. If there is an excessive amount of blood on the uniform it must be changed before the player is allowed to participate. If there is no replacement uniform and there is only a small amount of blood on the uniform, it must be cleaned to the satisfaction of the referee with an appropriate disinfectant.

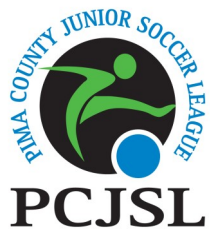

Head Injury or Concussion – Head injuries and concussions have received increased emphasis the last few years. A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They range from mild to severe and disrupt the way the brain normally works. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Even a “ding” or a bump on the head can be serious. You can’t see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If a player reports any symptoms of concussion, or if the referee notices the symptoms or signs of a concussion in a player, they will STOP the game and have the player removed from the contest. The player pass will be pulled after the game and the player must go through the concussion protocol listed on the AYSA website before resuming play.

Best regards,

Larry

2017 Desert

On January 27, 2017 the New York Red Bulls led by Pima County's own Luis Robles play the Portland Timbers at Kino. This will be a special PCJSL night where we will honor some of the most important men and women who have made soccer what it is today in our community (See Honoree List to left).

All PCJSL families will receive 20% discounted tickets simply by players wearing their uniform or practice shirt to the game or using the code "PCJSL" online. Our PCJSL Clubs will also conduct a "Get in the Game" event before the game beginning at 5 p.m. with booths set up to promote youth soccer all along the walkway to the game. There will be games for all the kids and prizes.

You and your family will not want to miss this unique opportunity to say thanks to those who have made soccer what it is today in Tucson, to enjoy a great game and have fun with the pregame activities provided by PCJSL's "Get in the Game" program. See you there! Ted Schmidt

Competition Update from PCJSL VP of Competition

It was our hope to publish a full U9-14 schedule two weeks before the first play date – Jan 7 – but the heavy use of black-out dates in a schedule that only included eight play dates forced us to approach the second-half season a little differently than we did in the Fall of 2016. The Jan 7 schedule was published as soon as possible after the fall season ended on Dec 17 and teams were notified that the use of double-headers or an extended set of play dates would be needed to allow all teams to play six games. Teams that had double-headers (two unassigned games on a single date) were notified personally by the Scheduling Coordinator and asked to choose between playing a double-header on that date or picking a date in the future for one of the two

games. As of the time of this writing, we don't know how well this worked, but are interested in hearing your thoughts and will create a feedback form in the near future to collect that information – watch the PCJSL web site for a Feedback Form link.

It's Time for Every Club to Get in the Game!

On Friday, January 27, FC Tucson will celebrate each of you – the people who bring the game of soccer to our youth. And, what a celebration it's going to be. PCJSL Night at FC Tucson will have one of the best games of the year – the New York Red Bull's with Tucson's own Luis Robles in goal playing the Portland Timbers.

The fun will start before the game with our 2nd Get in the Game event! We're asking each club to set up a table and bring a coach to do drills to showcase what PCJSL is all about – loving the world's game. Plan on setting up a registration table as PCJSL is considering a Spring League for young recreational players after Pima Cup. This

will give you a chance to register and involve new players – and it will give our teams a chance to extend their season. That's something many of you have wanted.

Of course, we'll plan the details of the Spring season with you at the next PCJSL meeting, but it already appears that there is enough interest to go forward. Think about how you'd like it to run – how long, how teams can be made up (any player with a card?), etc. Be ready for the discussion, but first get ready to grow your Club at the 2nd Get in the Game Night.

Bookkeeping Update

These deadlines apply only to clubs operating under the tax umbrella of PCJSL

FISCAL YEAR END ACCOUNTING REPORT (MAY 1 THRU APRIL 30)

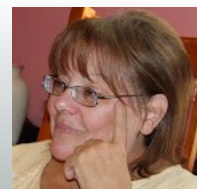

Each applicable club is given a link to their own financial report and is required to detail all financial activities for the fiscal year on the online worksheets provided. Handwritten or faxed reports are no longer accepted. There should be no personal bank accounts used – each club must have a club bank account and there should be no “cash” transactions that are not reimbursed with a club check. If cash funds are collected from parents/players etc., the cash amount must be noted and Deadline to complete an accurate report is end of day on May 31st.

In case there are questions or concerns regarding the club financial report, the deadline for making any corrections, adjustments or explanations is 5 calendar days following the request.

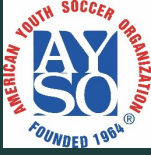

After the report is accepted, there will be audit documentation requested for two or three items. Documentation must be received within 5 calendar days from the request. More than a 2% discrepancy in the number reported and the documentation received is unacceptable.

CALENDAR YEAR 1099 REPORTING REQUIREMENTS (JANUARY 1 THRU DECEMBER 31)

Each club is required to submit a list of any person or company providing a service to the club in any amount. The list of names, including address and zip code and amount must be received no later than January 10th. Services include coach fees, training, field work, screen-printing and printing, clinic instruction, rentals of any type (excluding city, county, state and federal entities). If you have made a payment that includes labor, but the labor is not listed separate and apart from the product, include the entire combined amount as a service amount. When in doubt, list it. Adjustments can always be made later after explanations.

What Directors and Clubs say about College Soccer Panels

On behalf of our Club, we want to **THANK** College Soccer Panels for coming in last week and putting on a tremendous presentation for our DLVSC players and families! The event was extremely well attended and we have heard nothing but positive feedback on the format and the information that was provided.

This was not the first College Night hosted by DLVSC but it was the first time our families were presented the information in a format where they were hearing directly from the College Coaches and not just from one single voice. Kudos to College Soccer Panels for having coaches on the panel that represented every Division and Gender of college soccer.

That, more than anything, is who the players and the families want to hear from and Jeff Jaye and his Staff have figured it out based on all of the experiences that they have gone through as parents themselves who's kids went through the recruiting process. It was a great night and we can't wait for the next one to take place during the 2016-2017 season.

J.J. Wozniak, Director of Boys- Downtown Las Vegas Soccer Club

This is an outstanding educational resource to teach prospects and parents the ins and outs of the [college soccer's] environment! This group truly cares about the student-athlete's well being and they absolutely provide a fantastic service to those who take advantage of their program.
